INDEX TO VOLUME XXXVIII, THIRD SERIES

(WHOLE SERIES, VOLUME XLVI)

Abdominal conditions, acute, in gynecology 214
emergencies, drainage in 600
diagnosis, the Rehfuss tube for 464
symptoms and signs of thoracic disease 400
work, regional anesthesia in 511
Abduction fractures of the ankle-joint, the disastrous results of certain 208
Abscess, fixation—the therapeutic value of. 475
peritonsillar—an effective method of treating 821
subphrenic 365
Abuse of Cæsarean section 782
Accessory sinus infections, vaccine therapy in 344
uses of the duodenal tube 461
Accurate therapeutics in thyroid disease 28
Achylia gastrica, the relation of to chronic focal infections and pernicious anemia 813
Acid milk in infant feeding 724, 801
Acidosis, alkalies in 798
the prevention of in the treatment of diabetes 336
Acne, chronic carbohydrate intolerance with 776
vulgaris, treatment of 259, 718
Acriflavine in the treatment of gonorrheal urethritis 622
Actinotherapy in general practice 482
Acute abdominal conditions in children due to errors in diet 734
intussusception 742
nasal inflammation, a simple local treatment of at the bedside 312
poliomyelitis, treatment of 116
treatment of with immune horse serum 110
proctitis, treatment of 54
suppuration, treatment of 287
surgical abdomen in children 177
Addiction to drugs 204
Adenitis, cervical—treatment of 561
tuberculous—the treatment of 796
—treatment of by Roentgen rays and radium 40
Adrenal insufficiency, the nature and diagnostic significance of the syndrome of 794
Adrenalin chloride in the treatment of acute nasal inflammation 312
in the Stokes-Adams syndrome 564
in the treatment of vomiting in malaria 639
solution for the relief of nasal headaches 352
the effect of intravenous injection of on non-fatigued and fatigued muscle 812
the pharmacological action of on the sphincter pylori of the fetus 508
the use of for intracardiac injections 251
the use of in syphilis 274
the use of in tonsillectomies 576
After-results of colectomy 598
Agaricin in the treatment of profuse sweating 623
Air embolism following various diagnostic or therapeutic procedures in disease of the pleura and lung 888
hunger, the use of oxygen gas in 174
injection into a vein, the danger of 347
Albuminuria of pregnancy 884
Alcohol as a drug and not as a beverage 26
a word for at last! 336
injection in the treatment of hyperesthetic rhinitis and some of the nasal neuroses 749
in the diabetic diet 408
in the injection treatment of hemorrhoids 661
pharmacology and therapeutic value of. 313
the effect of on gastric digestion 425
Alimentary infections in chronic arthritis 256, 430
toxemias, the treatment of 390
Alkalies in acidosis 798
Alkaline treatment of the infantile urinary tract 347
Allen method of treatment of diabetes mellitus 38
Alleviating the pains of labor, some suggestions for 3
Allonal, a new remedy for controlling insomnia and pain 499
Amebic abscesses, large—the principles of aseptic treatment of 412
liver abscess, treatment of 393
Ammonia dermatitis of the gluteal region of infants 273
Anemia, pernicious—study of transfused blood in 42
therapeutic use of germanium dioxide in 811
Anesthesia in intracranial surgery 598
in prostatectomy, a study of 904
local versus general 494
progress in the science and practice of. 56
synergistic—experiences with 514
the importance of feeding before 474
Anesthetics and analgesics in labor 813
local—hyoscine and morphine as a preliminary to 278
Angina pectoris, the use of nitrites in 315
treatment of 406
Ankle-joint fractures, the disastrous results of certain abduction 208
Anorectal fistula in tuberculosis 320
Antenatal and congenital syphilis, the treatment of 348
treatment of congenital syphilis 275
Anterior pituitary gland, therapeutic uses of 198
Anthelmintics, a simple and effective method of administering 471
Anthrax, clinical manifestations, diagnosis and treatment of 877
the advantage of serum therapy in 127
vaccine in the treatment of leprosy 145
Antianaphylaxis 707
Antitetanic serum in the prevention of tetanus 254
Antitoxin in the treatment of tetanus 422, 708
Antuitrin in the treatment of Frohlich's syndrome following injury to the sella turcica 130
Aortic regurgitation, treatment of 350
Apothesine, how it compares with other agents used in spinal anesthesia 343
Apparently dead, intracardiac injections for the resuscitation of the 251
Application of the Wassermann report 171
Argyria, a case of 472
Arsenical poisoning 732
preparations in the treatment of syphilis, the technique of 551
Arsenicals, the action of on leucocytic activity 503
Arsenic and bismuth in syphilis 488
dangers to health from the use of 816
excretion after serial administration of arsphenamine and neoarsphenamine 349
Arsenobenzol preparations, toxic effects of 788
Arsphenamine and neoarsphenamine in syphilis 325
Arsphenamine and mercury in the treatment of visceral syphilis 96
age of the recipient as a factor in the toxicity of 369
in the treatment of syphilis 500, 551
poisoning, the influence of fasting and diet on 128
solutions, shaking of in air 403
the effect of on the kidneys and its therapeutic results 37
treatment with followed by neuro-recurrences 644
Arthritis and focal infection 649
chronic—alimentary infections in 256, 430
—milk injections in the treatment of 647
deformans 746
traumatic, of the wrist 748
treatment of 268
Articular rheumatism, salicylates in the treatment of 879
Artificial pneumothorax 125, 881
in pulmonary tuberculosis 229, 898
in the treatment of pulmonary disease 46
in the treatment of tuberculosis in Switzerland 99
Aseptic treatment of large amebic abscesses, the principles of 412
Asiatic cholera, kaolin in the treatment of 111
Aspirin addiction—report of a case using 1,500 grains weekly 692
Asthma, kerosene oil in 348

Auricular fibrillation, cerebral embolism following the arrest of by quinidine 422
some aspects of..... 793
the cardiac mechanism after administration of quinidine 281
the quinidine treatment of... 803
the therapeutic value of quinidine sulphate in..... 574
the use of quinidine in..... 176
the value of quinidine in..... 577
flutter and fibrillation, quinidine sulphate in 263

Bacillus acidophilus and its therapeutic application 421
coli infection of urinary tract in infants 347
of the urine..... 656
Bacterial flora of tonsils, effect of x-ray therapy upon the..... 732
Bactericidal agent, a new, for use in the conjunctival sac..... 414
Bags versus expectancy in dry labor..... 510
Barker, Lewellys F., and Sprunt, Thomas P.: The Value of Iodides in the Treatment of Syphilis 539
Barnes, Francis M., and Elliott, B. Landis: Endocrine Therapy in Certain Neuropsychic Conditions Associated with Ovarian Insufficiency 465
Bartholin's glands, resection of..... 585
Basal metabolic rate in hyperthyroidism.... 39
metabolism determination, the clinical value of..... 863
"Bayer 205" 893
Bed-sores, the prevention and treatment of. 205
Bees' honey in substitute infant feeding.... 806
Belladonna poisoning 203
Benzine in the treatment of scabies and pediculosis 127
Better conceptions of renal disease..... 103
Biliary drainage, non-surgical—experiences with 188
"Bipp" method of treatment..... 740
Birth hemorrhage, intracranial—the treatment of..... 395
Bismuth and arsenic in syphilis..... 488
effect of on the kidneys..... 811
in the treatment of syphilis..... 872
Bladder and kidney infections in general practice 518
contraction 294
irritability, treatment of..... 84
surgical treatment of papilloma of the.. 77
Blood changes in myelogenous leukemia following radium treatment..... 880
chemistry, the importance of to the clinician 580
diseases, radiation in the treatment of.. 120
examination in diabetes mellitus..... 183
in the urine, the rôle of hexamethylenamine in the production of..... 663
or gum solutions for transfusions..... 495
reaction, defining the..... 530
splenic syndromes which concern the... 444
transfusion as a therapeutic agent in pediatrics 295
in children 101
the deleterious effect of sodium citrate in 323
Boils, the injection treatment of..... 275
Bone development in relation to bone transplantation 283
grafting and bridge-grafting..... 600
graft in the treatment of Pott's disease. 633
Brain and head injuries, damage from..... 529
tumors, non-encapsulated—treatment of by extensive resection of contiguous brain tissue 679
Breast cancer, cautery operation for..... 207
end results in..... 134
operations for 517
fed infants, eczema in as a result of sensitization to foods in the mother's dietary 507
lesions, the significance of discharge from the nipple in..... 662
operations, surgical elephantiasis following 107
Breath, cardiac shortness of..... 652
Bronchial lymph nodes, infected—the clinical importance of..... 5
Bronchiectasis, the newer treatment of..... 901
Bronchopneumonia, influenzal, and acute pneumonia 886
Bubonic plague, Haffkine's prophylactic in. 795
"Buffering" of the blood..... 530
Burns, severe, treated with flavine antiseptics 833
the newer method in the treatment of.. 414

Butler, Everette Erwin: Preliminary Report on Mercurosal 92
B-vitamin, the therapeutic possibilities of.. 263

Cæsarean section, methods of performing... 210
the abuse of..... 782
Calcium in the treatment of spasmophilia.. 649
Calculus, ureteral—non-operative treatment of 593
Calomel in the treatment of catarrhal jaundice 648
Camphor in oil injections in the treatment of sciatica 264
Cancer, inoperable—pituitrin in..... 600
of body of uterus, radium therapy in... 764
of the breast, cautery operation for.... 207
end results in..... 134
operations for 517
of the face, two advanced cases of—a warning against delay in treatment.. 308
of the lip, tongue, and fauces..... 659
treated by radiation or combined with electrocoagulation and surgical procedures 645
radium needles in the treatment of..... 721
the treatment of with radium..... 485
Cancers, deep-seated—x-ray treatment of.. 889
Carbohydrate in the diet of children..... 715
intolerance and its relation to hypertension, nephritis, cardiovascular-renal disease, pellagra, rheumatism, acne, and urticaria..... 770
Carbolic acid in the injection treatment of hemorrhoids 661
in the treatment of pruritus ani 53
Carbon arc light in the prevention and cure of rickets 576
monoxide poisoning, the treatment of.. 270, 870
tetrachloride for the removal of parasitic worms, especially hookworms... 51
Carbonic oxide in tobacco smoke..... 709
Carcinoma of the breast, radiotherapy in... 895
radium in the treatment of 864
of the kidney, papillary..... 685
of the rectum..... 293
Cardiac disease, digitalis in.....733, 865
mechanism after administration of quinidine in auricular fibrillation..... 281
shortness of breath..... 652
Cardiospasm, treatment of..... 584
Care of the teeth, proper—medical importance of the..... 628
Caseins of cow's milk and human milk in their relation to infant feeding..... 113
Castor oil and quinine in the induction of labor 752
in the treatment of vaccination... 199
Catarrhal jaundice, direct method of treating 648
Cautery operation for cancer of the breast.. 207
Cereal-milk mixtures in early infancy..... 473
Cerebral embolism following the arrest of auricular fibrillation by quinidine..... 422
Cerebrospinal fluid—spinal drainage—intraspinal therapy 1
meningitis 902
Cervical adenitis 561
infection, focal 742
Chancre, extra-genital, in an unusual position 593
Chancres, extra-genital—prevention of..... 513
Chancre fluid as an aid to the early diagnosis of syphilis..... 498
Changes produced in subjects rendered unconscious by electric shock..... 663
Chaulmoogra oil, the possibilities of in the treatment of tuberculosis..... 213
Cheap and efficient hand disinfectant..... 35
Chemistry of milk-curd modification in infant feeding 47
Chloretone in the treatment of tetanus..... 708
Chloride of lime and boric acid, a mixture of an efficient hand disinfectant..... 35
Chlorine in the treatment of tuberculosis... 613
Chloroform anesthesia 719
Cholera, kaolin in the treatment of..... 111
Chronic duodenal ileus..... 180
intestinal stasis, treatment of..... 666
Circulation, the action of diphtheria toxin upon the 404
Circulatory disturbances of the feet..... 531
Citrated blood, types of cases unsuited for.. 44
Clinical importance of infected bronchial lymph nodes 5
manifestations, diagnosis and treatment of anthrax 877
value of intraperitoneal injections of salt solution 346
